Ref. 19608-Res. Dated 21-7-49.

Sir,

Sub: Pay - Special pay to the Civil Asst. Surgeon, Class I for doing X-Ray work - in Government Wellesley Tuberculosis Sanatorium, Bellary.

Ref: Correspondence ending with Govt.Telephonic Message dated 26-3-49 and my Telephonic Message dated 4-4-49.

....

In their order No.Ms.1655 P.H. dated 13-5-47 the Government sanctioned the appointment of 1 Civil Asst. Surgeons, Class I (Men) for the Wellesley Tuberculosis Sanatorium, Bellary, when the institution was taken over from the Jail Department. Previous to that, there were 2 Civil Asst. Surgeons, Class II attached to the Jail and one of whom, was doing X-Ray work and was in receipt of a special pay of Rs.20/- per mensem.

The Superintendent, Allipuram Jail, Bellary to whom all the records of the Wellesley Tuberculosis Sanatorium were transferred when it was a Jail has reported after the examination of records that only a sum of Rs.20/- per mensem was drawn and paid to Civil Asst. Surgeon, Class II, for doing X-Ray work in the Wellesley Sanatorium Jail, and

the same...

8

the same was granted as per item 9 of risk to health - page 29 of Volume II of Special Pay and allowances. The statement made in this office letter Ref.No. 3608-2-Hes dated 5-3-49 that the Civil Assistant Surgeon, Class II doing full time radiological work and was in receipt of Rs.30/- per mensem as special pay is not correct.

As the Jail has been converted into a Tuberculosis Hospital, the employment of a full time radiologist has become imperative and the payment of a special pay of Rs.50/- per mensem has therefore been recommended.

Yours faithfully,

for Surgeon-General with the Govt. of Madras.

From the SG no. 104484-1 Res dt 14.12.49

Special pay - grant to Civil Asst Surgeon, class I, Wellesley TB Sanatorium, Bellary.

p94 (F)

In Gpo no. 3179 P.H dated 8.9.949 sanction was accorded to the payment of a special pay of Rs. 50/- pm to one of the four Civil Assistant Surgeons, Class I employed in the Government Wellesley TB Sanatorium Bellary, for doing whole-time X-Ray work. No specific date from which the special pay should be paid to the C.A.S. is mentioned in the order. The orders in the Gpo should therefore, in the normal course be deemed to take effect from the date of the Gpo. namely 8.9.49.

(F)

plcf

The SG states that Dr. R. Ramachandran, the C.A.S, Class I who does whole time X-Ray work in the Sanatorium actually joined duty on 21.1.48 and recommends that he may be granted the special pay with effect from that date. The SG's plea is That the officer was exposed to risk from 21.1.48 and that it would not therefore be equitable to deprive him of the special pay for the period 21.1.48 to 7.9.49. The SG's proposal involves the payment of arrears of special pay to the officer for 19 months and 18 days at Rs. 50/- pm or Rs. 980/-.

para plcf

It is not usual to grant concessions to such officers with retrospective effect which involve payment of large arrears.

for orders whether the S.G.'s proposal may be negatived. If the proposal is to be ~~supported~~ supported, Finance may see.

TMR
23/1/50

Retrospective effect with the consequent payment of arrears has a large outreach. Keeping his proposal in abeyance, may be negatived.

24.1.50. AS

The point is that had the old arrangement continued, a C.A.S. of II grade would have drawn Rs 20 for his work. He could have not paid even this Rs 20 from 21.1.48.

The point was represented in March 49. As a special case I suggest that the Rs 50 be made payable from 1.1.49.

24/1/50

Sen (E III)

Notes on pages 1-2 above may be perused.

In G.O.No. 770 Finance dated 6-8-1948, the Government have laid down that as a rule no retrospective effect should be given to concessions like revision of pay, special pay, personal pay, advance increments etc., and that they should take effect only from the date of the orders sanctioning them.

It is no doubt true that the point regarding special pay was represented in March 1949, but the question was specifically considered and orders were issued on 6-8-49. The date suggested at 'M' above seems to be arbitrary, and if the principle of granting the special pay with retrospective effect is conceded there will not be strong reasons for withholding the payment of the special pay from the date of appointment of the C.A.S. viz., 21-1-48, if the S.G. comes up again. The proposal of E & P.H. is opposed to the general principles laid down by Government in the G.O. at (6). (The arrears of pay will amount to Rs. 363 for the period suggested by E & P.H.)

E & P.H. DEPTT.(L)

The Govt. Wellesley T.B. Sanatorium, Bellary, which was being administered by the ~~Joint~~ Jail Dept. was taken over by the Public Health Dept. with effect from 1-10-47 a.n. When the institution was under the Jail Dept. one Civil Assistant Surgeon, Class II employed in the Sanatorium was doing full time radiological work and was drawing a special pay of Rs.20 p. for the purpose. This C.A.S. continued in the Sanatorium till 21-1-48 when he was relieved by Dr.R.Ramachandran, a C.A.S., Class I. Dr. Ramachandran was not however paid any spl. pay for doing Radiological work in the Sanatorium. In March 1949 the S.G. represented that this officer ~~also~~ should be allowed a spl. pay of Rs.50/- p.m. for his whole time X-ray work. The Govt. accordingly sanctioned the spl. pay to the officer in G.O. 3197 P.H. dated 8-9-49. No specific date from which the spl. pay should be paid to the C.A.S. was mentioned in the order. The S.G. has now recommended that as Dr. Ramachandran has been doing X-ray work

work ever since he took charge (from 21-1-48), he may be paid the special pay from that date.

2. If the old C.A.S. class II who was receiving Rs.20/- p.m. as spl. pay continued ~~the service~~ in the Sanatorium without being relieved by Dr. Ramachandran he would have continued to draw Rs.20/- p.m. for X-ray work beyond 21-1-48. Even this Rs.20/- p.m. has not been allowed to Dr.Ramachandran from 21-1-48. As he has been actually doing wholetime X-ray work since 21-1-48 and as the matter was represented to Govt. even in March 1949, E & P.H. Dept. have suggested that he may be allowed Rs.50/- from 1-1-49.

A!

3. Finance however do not agree to the proposal which involves the payment of arrears of Rs.363/- to the Officer. They state that the Govt. have laid down that as a rule, no retrospective effect should be given to concessions like revision of pay, special pay etc. and that they should take effect only from the date of the orders sanctioning them.

4. Submitted for orders whether this Dept. will press the proposal at A. If so, the file may be circulated to H.M.(P.H.) and H.M.(Fin.)

TNS

The Doctor should not be penalised for Govt. delay in issuing orders on a point raised by him in his letter in March 49. After he in S.G. made his reference in March 49, it can be safely presumed that Dr. Ramachandran raised the question of pay from 1-1-49. That is why it was suggested that the Spl. pay may be paid from 1-1-49. Had he raised the point earlier, in S.G. would have made an earlier reference. There must be some equity in his case and it does not seem fair to deny payment from at least 1-1-49.
